

Product End-of-Life Notice

End-of-Life Announcement for the ROBO-605

American Portwell Technology® announces the end of life of the Single-Board Computer ROBO-605 product. Due to the components obsolete, please contact American Portwell Sales representative for the last supply of the ROBO-605. Customers will continue to receive support from the American Portwell Technology.

Phase-out model: ROBO-605

Last buy date: 7/31 2006

Orders for ROBO-605 must be released to American Portwell Technology no later than July 31, 2006. American Portwell will prepare the discontinued parts according to the ordering quantity. Please contact American Portwell's sales representative for more detail information.

Description: Due to the VGA chipset discontinued; the ROBO-605 series is phased out with the shortage of this key component.

Replacement model:

Half size form factor, PCI solution: ROBO-6710VLA
